

Child Find Notice

The Watertown School District has an ongoing “Child Find” system, which is designed to locate, identify and evaluate any child residing within its geographical boundaries who may have a disability and be in need of Special Education or 504 services. This includes children who are not in school; those who are in public, private, or home school; those who are highly mobile such as children who are migrant or homeless; and those who are advancing from grade to grade, who may need but are not receiving Special Education or 504 services.

The Watertown School District will make sure any child enrolled in its district who qualifies for Special Education or 504 services, regardless of how severe the disability, is provided appropriate Special Education or 504 services at no cost to the parents of the child.

If you know of a child who lives within the boundaries of the Watertown School District, who may have a disability, and may need but is not receiving Special Education or 504 services, please contact Sandie Jungers, Special Services Director, at 882-6399.

“Child Find” activities will continue throughout the school year. As part of these efforts the Watertown School District will use screening information, student records, and basic assessment information it collects on all children in the District to help locate those children who have a disability and need Special Education or 504 services. Any information the District collects through “Child Find” is maintained confidentially.
