

## QUALIFICATIONS OF BOARD MEMBERS

A person is legally qualified to become a member of the Board who resides in the Watertown School District and is a registered voter of the district. It is also desirable that members of the Board have a genuine interest in and devotion to public education, a willingness to give time and effort to the work, a capacity for understanding people, and the ability to work cooperatively with others.

Employees of the School District are precluded from serving on the School Board by reason of statute making it unlawful for a Board member to receive compensation or reward for service to the District except as specifically provided by state statutes for services as a Board member.
