

GATE ENRICHMENT – POTTERY

Grades 3-4 – Tuesdays – February 9, 16, 23, and March 2

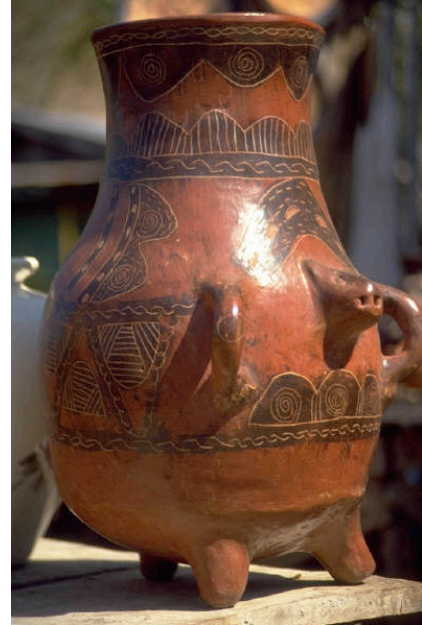

Grades 5-6 – Thursdays – February 11, 18, 25 and March 4

3:30 – 5:00 – Location: Middle School

Instructor: Ms. Schutt

Classes will begin right at 3:30 or when the majority of the students are in the classroom.

Class will be finished and ready for the parents to pick them up at 5:00. Students need to plan on being present all four nights in order to get their project completed. If students are not there for the instructions the first night it's extremely difficult to get them caught up. If they miss a night, 3rd and 4th graders could make it up by coming with the 5th and 6th graders on Thursday. If a 5th or 6th grader misses, they can come the following Tuesday with the 3rd and 4th graders to get caught up.

E-mail registration to Mrs. Soucy – cece.soucy@k12.sd.us
